69.20 FIRE LANES.

1. Definitions. The following definitions shall apply to the interpretation and enforcement of this section:

A. “Building” means any structure or portion of a structure which meets the following criteria: Privately-owned commercial property zoned commercial under the Zoning Ordinance of the City of Iowa Falls, Iowa, specifically zoned in the following commercial districts: AC, NC, and GC.

B. “Commercial vehicle” means a motor-driven car or truck which is designated by lettering on the vehicle’s body indicating a commercial purpose or which has a commercial license plate attached and is duly registered to the vehicle.

C. “Fire lane” means an opening not less than 20 feet of unobstructed width measured from the farthest building projection or walkway/curb, whichever is the greatest distance from the building wall and shall have no vertical obstructions. The length of a fire lane shall be properly posted as set forth below.

2. Violation. No person shall park a vehicle in any place designated by the fire department as a fire lane and posted as hereinafter provided, whether such fire land be upon publicly owned property or right-of-way, or upon privately owned property. Any person violating this section shall be guilty of a municipal infraction and subject to punishment as provided in Chapter 4 of this Code. In addition, members of the police department, or their designees, may remove such vehicle to a storage place as provided by ordinance.

3. Signs. A fire lane shall be posted with metal signs reading “No Parking – Fire Lane Violators subject to Towing and Citation under Code Section 69.20 of the City of Iowa Falls, Iowa” at least every 50 linear feet thereof.

4. Presumption. When an area is posted as a fire lane as provided in subsection 3 above, a presumption shall arise that said area was designated as a fire lane by or with the authority of the fire department.

5. Maintenance of Fire Lanes. Fire lanes shall be constructed and maintained at the owner's expense, which shall include the purchase of properly marked signs.

6. Fire Lanes to Be Free and Clear of All Obstructions. Fire lanes shall at all times be free and clear of all obstructions, with the following exceptions:

A. Normal movement of vehicular traffic.

B. Actively loading and unloading of commercial vehicles. Commercial vehicles shall be limited to a period of not more than 30-minute obstruction of the fire lane.

(Ord. 996 – Dec. 11 Supp.)
