Violations may be addressed by maintenance of and administrative abatement process; the municipal infraction process; by court proceedings; or by City abatement and assessment of cost therefor against the responsible party or assessment of cost against the property, at the option and in the discretion of the City. The appeal shall be filed on a form provided by the City for that purpose, and shall state the particular section of the ordinance or interpretation thereof being appealed, and a brief statement of the grounds upon which such appeal is taken. Failure to file a timely appeal as prescribed herein shall constitute a waiver of the right to a hearing, and the notice shall become final. The Board's determination and order shall be appealable to the County District Court by writ of certiorari. Such appeal shall be filed within twenty (20) days from the date of the Board's decision. The Board's order shall not be carried out until the time for filing the writ of certiorari has expired.

If an inoperable or obsolete vehicle is not sold or if the proceeds of such sale or redemption are not sufficient to pay the costs of abatement, storage, and sale of said inoperable or obsolete vehicle, such cost or the balance of such cost may be assessed against the premises in the same manner as a property tax. Before the assessment of any charges for work done or caused to be done by the City, the owner of the property proposed to be assessed shall be provided notice and opportunity for hearing before the City Council. The notice shall set forth the amount proposed to be assessed, and include a statement of the time, place, and date of hearing. The court may order any one or more of the following:

D. Assess costs of abatement against the premises.

5. Emergency Abatement Procedure. The costs of such action may be assessed against the premises. However, prior to such assessment, the City shall give a property owner notice and the opportunity for a hearing before the City Council in accordance with subsection 4. An appeal shall not stay the effect of a notice or order under the emergency provisions of this section unless so ordered by the Board.

The Board's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence. The presiding officer of the Board shall conduct the hearing.

3. Decision of the Board. No hearing shall be valid unless a majority of the Board is present, and no appeal shall be granted unless reached by a majority of all members of the Board.
