### What you need to know

- Traffic along Union is open from River Street to the west driveway of the middle school loop driveway on Monday.
- Please utilize construction signage to know what is closed and what is open and which way to drive. Vehicular traffic should use other routes of access during this time. Pedestrian traffic should use caution in construction areas. Please also obey personnel who are directing traffic during construction to help keep everyone safe.
- GARBAGE/RECYCLING PICK-UP –
  - Please put garbage and recycling out as you would normally, however, please use bags to allow sanitation crews better ability to pick up garbage in the construction zones.
- At this time, it is planned the post office will continue to deliver mail to your residence unless you live along Riverview Drive, where temporary mailboxes will be placed at Union/Riverview intersection.
